

Make your Mark

One day course

Ask yourself.....

- ✓ Would I like to deliver effective presentations?
- ✓ Do I want to speak persuasively, confidently and build my credibility?
- ✓ Do I want to entertain, inspire and challenge my audience?
- ✓ Do I wish I could stop my voice, hands or knees from shaking when I speak in front of other people?

If the answer to any of these questions is yes for you or your staff then you could benefit from participating in the **Make your Mark** one day course

This course is not about cutting and pasting information into PowerPoint – it is about being able to have your audience leave a room buzzing with what you have to say. Something they won't forget in a hurry and will lead to decisions, actions and understanding.

The course covers:

- ✓ Exploring what a presentation is
- ✓ What makes a good or poor presentation
- ✓ Methods of audience inclusion
- ✓ Engaging and challenging your audience
- ✓ Exploring methods of dealing with personal fear
- ✓ Dealing with an unco-operative or hostile audience
- ✓ Dealing with wider audiences – other than your colleagues
- ✓ Attention to detail and organisation
- ✓ Planning to successfully put your new skills into action
- ✓ Measuring the impact of your presentation
